Bicycle Movie Night

Cooperstown: The Otsego Regional Cycling Advocates (ORCA), a committee of the Otsego County Conservation Association – in cooperation with the Bassett Healthcare Network Wellness Committee – is sponsoring a free showing of the movie “Asiemut” on Tuesday, February 9 in the Clark Auditorium at Bassett Healthcare.

“Asiemut,” winner of 34 International Awards in adventure film, documents a young Canadian couple’s 5,000-mile journey by bicycle across Asia from Mongolia to Tibet and Nepal. This movie is “an adventure to discover the world, but overall, to discover ourselves.” The story is riveting; the photography is breathtaking; and the sound track is haunting. Don’t miss this inspiring event! All members of the community are invited.

ORCA’s mission is to promote bicycling (and walking) as an enjoyable, safe, healthy, environmentally friendly activity for people of all ages and abilities. For more information, visit www.occainfo.org/ORCA.htm
